Certificate of RoHS Compliance

Statement of Compliance

Hampshire Company certifies that, to its knowledge as of the date of this document, all Hampshire chips labeled with RoHS Compliant markings comply with the European Union Directive 2002/95/EC (RoHS Directive). This includes chip types: HSXX-100Xx, HS12-100XXs, and HS10-100XXs.

Sources of Information

RoHS-compliant semiconductor device part numbers may be found on the Hampshire Company web site: www.hamshirecompany.com. Hampshire can also assist you with obtaining materials declarations and product technical information by contacting Hampshire via e-mail or by calling the Milwaukee office.

The text of EU Directive 2002/95/EC may be found at the following web site:

Disclaimers

This certification applies only to Hampshire touch screen controller microcontroller devices of the type in the Statement of Compliance, and is made based on Hampshire's understanding of the European Union Directive 2002/95/EC and on official source documentation received directly from our semiconductor manufacturer. This certification does not yet apply to Hampshire touch screen controller board products.

Customers must specifically order RoHS compliant touch screen controller microcontroller devices to assure receipt of only RoHS compliant devices. Indicate this requirement on the purchase order.
